March 11, 1958

MEMORANDUM FOR MR. ROBERT AMORY, JR.,  
Central Intelligence Agency

SUBJECT: U. S. Objectives in Space Exploration  
and Science

You are invited to attend a special limited meeting of NSC Planning Board Members, Operations Coordinating Board Members, and certain members of the White House staff, to be held on Friday, March 14, 1958, at 8:45 a. m., in the "Treaty Room" (Room 474) of the Executive Office Building, to hear a report on the subject by the Special Assistant to the President for Science and Technology, assisted by Drs. Edward Purcell and Herbert York of the President's Science Advisory Committee, as presented at the 357th NSC meeting.

Attendance at the special meeting is limited to recipients of this invitation memorandum.

MARION W. BOGGS  
Director, Policy  
Coordinating Secretariat
